

Accessibility Statement

Last Updated: July 13, 2026

Arkansas Mold and Water, Inc. is committed to making <https://armoldandwater.com/> reasonably accessible to the widest possible audience, including people with disabilities. Accessibility is an ongoing process, and we will make reasonable efforts to identify and address barriers.

Our Accessibility Efforts

Our efforts may include:

- Providing text alternatives for meaningful images.
- Using descriptive page titles, headings, labels, and links.
- Supporting keyboard navigation.
- Maintaining readable text and appropriate color contrast.
- Identifying form fields and validation messages clearly.
- Avoiding unnecessary flashing or moving content.
- Providing captions, transcripts, or alternatives where appropriate.
- Reviewing the Website using automated and manual accessibility methods.
- Correcting identified accessibility barriers when reasonably possible.

Third-Party Content

The Website may use or link to third-party tools and services such as maps, videos, social-media content, review platforms, scheduling tools, or embedded applications. Arkansas Mold and Water may not control the accessibility of third-party content.

Requesting Assistance

If you have difficulty accessing information, using a feature, submitting a form, or navigating any part of the Website, contact us. When possible, identify the page or feature, describe the difficulty, identify any assistive technology or browser being used, and tell us what format or communication method would help.

We will make reasonable efforts to provide the requested information through an accessible method and to address Website barriers where reasonably possible.
